*Answer to Question 7A – Asking for the Nature of the Interest, Transaction, or Income*

An A5 pass for airline travel, which permits me to fly for free on American Airlines for business purposes and allows myself and my wife to fly at the reduced employee rate on a space available basis on the airline for personal purposes, which is the same benefit that the airline provides to its other employees and their families.

*Answer to Question 7B – Requesting the Amount of the Interest, Transaction or Income*

I used the A5 pass for business travel approximately 3 or 4 times a month during 2004. As I would have been eligible to travel on those flights at reduced rates as an American employee provided there was space available, and airline ticket prices were highly variable over the course of 2004, the approximate value of these flights to me is not reasonably determinable at this juncture.
